Our Remuneration and Other Benefits We Receive

Fees and Charges

We do not charge you a fee for providing you with financial product advice or issuing you with our own deposit accounts.

However, if we provide you with a product or service, you may have to pay us fees and charges such as transaction fees and card fees. Details of all our fees and charges in relation to our regulated products are set out in our *Fees & Charges* booklet.

Insurance products

- When we issue or arrange for the issue of insurance policies for you, we receive commissions from the

insurer. These range between 0% and 20% and are applicable to each insurance policy sold by us. The commission is calculated as a percentage of the premium (before any GST, stamp duty, and any other government charges, fees or levies) applicable to the policy that is sold.

- Where we previously had a relationship with an insurer for which we no longer act, we may continue to receive trailing commission for policies sold under that previous arrangement. Trailing commission applies only in respect of policies that remain in force. Commission we may receive is in the range of 0% to 20% and is calculated as a percentage of the premium (before any GST, stamp duty and any other government charges, fees or levies) applicable to the policy.
- If a referral we have made, at your request, to an insurer with which we have a referral arrangement results in a policy being issued to you, we will receive a commission from the insurer of up to 14% of the premium (before any GST, stamp duty and any other government charges, fees or levies).
- If an insurance policy is issued to you by or on behalf of one of our associated insurers, you will have to pay a premium or premiums to the insurer, details of which are set out in the policy schedule that forms part of the PDS for those products.
- We may also receive a Profit Share payment from Allianz Australia Insurance. This is based on technical formulae involving the overall profitability of eligible products in our insurance portfolio with Allianz. These include Home, Motor, Caravan, Trailer and Landlord's insurance products. Profitability means the premium received for the portfolio less the cost of claims, commission and operating expenses. It is calculated on an annual basis and does not involve extra cost to policy holders.

Foreign Currency

- If we arrange foreign currency bank note conversion for you (buying or selling) through our agreement with Travelex Limited, we may receive commission of \$7 per currency or up to 1.1% of total AUD conversion amount. In addition, Travelex Limited pays us a commission based on aggregate revenue they receive from these services provided.
- Services offered through Convera, including repurchasing Drafts and Telegraphic Transfers, may result in us receiving a share of the revenue for the provision of services.

We do not pay any remuneration or give any other benefits for the referral of business directed to us.

Financial Planning

If we refer you to Bridges (see 'Other associations we have') for financial planning advice, and you become a client of Bridges, we will be entitled to receive from Bridges a referral fee of \$1,000 (GST inclusive). The referral fee does not involve extra cost to you.

Tyro

If we, at your request, refer you to Tyro we will receive a one-off financial benefit from Tyro Payments Limited (ACN 103 575 042 AFSL 471951) ('Tyro') as a result of, or attributable to, us providing your details to Tyro (we call this a 'referral') and you subsequently using Tyro's products and services (we call this an 'activation'). We will receive additional one-off financial benefits from Tyro if we meet certain criteria. These financial benefits are calculated by reference to the number of referrals and activations.

Payrix

If we, at your request, refer you to Payrix we will receive a benefit from Payrix Australia Pty Ltd (AFSL 418105 ABN 63 135 196 397) as a result of, or attributable to, us providing your details to Payrix (we call this a 'referral') and you subsequently using Payrix products and services (we call this an 'activation').
