About this Booklet

This booklet contains information about our fees and charges and, together with our Product Guide, contains the terms and conditions for our accounts and the access products (collectively known as the terms and conditions). You should read these documents to ensure you understand the terms and conditions applicable to the accounts and access products you acquire from us.

If you would like any further information about our fees and charges, or any of our products, call in to your nearest branch, phone 13 25 85 or visit our website.

1. Fees and Charges Payable

The fees and charges contained in this booklet are amounts that will or may be payable by you if you acquire an account, loan or access product from us.

Your loan contract will detail other fees and charges that will or may be payable when you take out a loan with us.

You agree to pay us:

- all fees and charges described in this booklet, including those which arise as a result of the actions of your authorised signatory, plus any new fees and charges we impose under these terms and conditions;
- government charges including stamp duty and other duties and taxes; and
- any expenses we incur in enforcing this agreement.

Fees and charges incurred will be debited from your account or from an account with us that you nominate as your fee posting account. Unless otherwise indicated, the fee or charge will be debited from your account on or after:

- the day the service or event to which the fee or charge relates is requested or occurs;
- the date we pay the fee or charge; or
- the date the fee or charge becomes payable by us.

All fees and charges in this booklet apply per transaction or per request unless otherwise indicated.

2. Changes to Fees and Charges

All fees and charges stated in this brochure are current as at the date of printing and may change from time to time. For details of how we may change fees and charges, or introduce new fees and charges, and of the notice that you will be given, please refer to:

- our Product Guide, in relation to fees and charges applying to savings and business accounts, term deposits and access products; and
- our loan contracts, in relation to fees and charges applying to loans.

3. How to minimise Fees and Charges

Free transactions

Try wherever possible to use transactions that are free of charge – such as Visa purchase and BPAY.

Use lower cost transactions

You can decrease transaction fees by using methods that incur lower fees (eg electronic transactions such as Direct Debits – or Internet Banking). Try to use fewer transactions that incur higher fees.

Fee allowance

Take advantage of the monthly fee allowance available on some transaction accounts to perform certain transactions free of charge up to a set limit. Note that any transactions that exceed the fee allowance will incur a fee.

Use your card

By using a Visa Debit card you can access funds in your transaction account to make purchases online, over the telephone or via eftpos¹.

If you select the 'credit' option when making purchases at an eftpos terminal (Visa purchase) and you do not get cash out, you are using a fee free transaction method.

Alternatively, you can withdraw cash from your account at the same time you are making a purchase² by selecting the 'savings', 'cheque' or 'credit' option. This way you are only conducting one transaction instead of two.

Plan ahead

Try not to withdraw cash from your account every day or two. Instead, plan your week's spending and withdraw the funds in one or two transactions to reduce transaction fees.

Account Balances

Remember to keep sufficient funds in your account to cover any automatic payments you have established. By doing this you will avoid dishonour fees and overdrawn account fees.

You can check your account balance at anytime using our Mobile Banking Apps, Internet Banking or the Account Information Line.

For more information on how to save on fees, please visit our website.

¹ Subject to systems availability. Daily card and eftpos withdrawal limits apply.

² This service may not be available at all eftpos operators.

4. Providing feedback about fees and charges

If you have any feedback about our fees and charges we are happy to discuss this with you. To provide feedback simply visit your local branch, call us on 13 25 85, visit our webpage www.beyondbank.com.au/complaints, or email us at contactus@beyondbank.com.au.

Part A – Fees and Charges for Transaction Accounts

5. Transaction fees and Fee Allowances for the following Transaction Accounts

Access Savings Account, All-In-One Account, Mortgage Offset Account, Retirement Account.

5.1 Fee Allowances

Each Relationship you have with us is allocated a monthly Fee Allowance which is used to offset the fees associated with most transaction types.

The amount of your monthly Fee Allowance depends on your Relationship Portfolio Value at the end of the last day of the previous month and how long you have been a customer with us, as follows:

		Customer for up to 9 yrs	Customer for 10 to 19 yrs	Customer for 20 yrs or more
Relationship Portfolio Value	Package customer	Unlimited fee allowance	Unlimited fee allowance	Unlimited fee allowance
	\$100,000 or more	\$40	\$45	\$45
	\$50,000 to \$99,999.99	\$20	\$25	\$25
	\$10,000 to \$49,999.99	\$15	\$20	\$25
	Less than \$10,000	\$5	\$10	\$25

Put simply, your Relationship Portfolio Value is determined by adding together the balance of all of the accounts you have in a relationship at the end of the month. We also add benefits for other services you have with us. You can find a full explanation of the calculation in the definitions at the rear of this booklet.

If your Relationship Portfolio Value or length of membership has increased at the end of any month, you automatically move to the higher Fee Allowance that you qualify for in the next month.

If a change in your financial circumstances results in your Relationship Portfolio Value moving to a lower level, this change will be identified and you will be maintained on your current Fee Allowance for a period of three months.

Our Wealth Management Ongoing Services clients are entitled to a minimum Fee Allowance of \$25.
