Beyond Bank
AUSTRALIA

For and with your community.

At Beyond Bank, we're committed to strengthening communities by assisting not-for-profit organisations and supporters, like you, to make a positive difference in the community.

Created to reward you and the organisation you support, the Community Reward™ Account is a high interest savings account; allowing you to save, while supporting the cause, club or charity of your choice.

The Community Reward™ Account.

The Community Reward™ Account is your chance to make a real difference with your savings account.

All you need to do is:

- Open a Community Reward™ Account
- Choose your favourite cause, club or charity
- Start saving your money.

How it works.

The average annual balance of your Community Reward™ Account is calculated on the 30th of June.

Once a year, we'll make a payment¹ to the cause, club or charity you have chosen - at no cost to you.

Customer benefits.

Open a Community Reward™ Account that offers a range of benefits to you, the account holder, including:

- An everyday, at-call savings account
- A competitive interest rate
- No monthly account keeping fees
- The satisfaction of knowing that you are supporting the cause, club or charity of your choice.

Organisation benefits.

Any not-for-profit organisation can be a part of the Community Reward program and benefit from an annual Community Reward payment¹. All they need to do is register.

The payment will depend on the number of supporters and the average overall balance of the savings accounts linked to a nominated cause, club or charity.

The Community Reward payments are not capped, so the more supporters who link their Community Reward™ Account to the same organisation, the greater the reward.
